OLD BUSINESS

Project Pipeline

Bryan David reviewed the current project pipeline which was emailed to Council members prior to the meeting. The following projects were discussed:

- Health Science Careers Implementation Project: IALR is considering facilitating the implementation of a health care workforce development program based upon the findings of the recent Health Science Careers TPI Planning project.
- Industrial Skilled Trades Training Program: This IALR project would create an industrial skills workforce development training program in partnership with Patrick & Henry, Danville, and Southside Virginia Community Colleges.
- CEA Innovation Center Research Building Expansion: This project would involve installing a prefabricated research greenhouse, making associated building improvements, and preparing the site and utilities to accommodate the needed expansion of facilities and services the Center can provide.
- Region 3 Leadership Development Project: This project would be in partnership with the UVA Sorenson Institute for Leadership and the Virginia Institute for Government to develop a community leadership program in Region 3.

Chair Willis asked members for questions or comments; there being none, there was no discussion regarding the updates.

NEW BUSINESS
